SOUTHWESTERN PHARMACY
CONTINUING EDUCATION TRAVEL SEMINAR
Southwestern Oklahoma State University
College of Pharmacy
Weatherford, Oklahoma

NASHVILLE! They don't call Nashville "Music City" for nothing. This city loves a catchy tune, and country music isn't the only game in town -- venues stage rock, jazz and gospel concerts every night -- but country is king. Plus there is plenty to do: museums, shopping, nightlife & entertainment and restaurants & dining. Plus, we'll provide Continuing Pharmacy Education. So join Southwestern Pharmacy for your vacation and CE in **NASHVILLE**.

Fifteen (15) hours of **Continuing Education** credit will be provided. We have scheduled the sessions on October 20, 21 and 22 at 8AM each morning. (See additional CE information for details.)

- Thursday, October 20: *Current Legal Issues in Pharmacy Management*; Virgil Van Dusen, R.Ph., J.D.
- Friday, October 21: *Health Screenings in the Pharmacy*; Nina Morris, PharmD
- Saturday, October 22: *Nonprescription Products for Respiratory Conditions*; W. Steven Pray, Ph.D., R.Ph.

Each **Continuing Education** session is a 5-hour program. You can attend the session(s) you want; however, credit will only be given for the session(s) that you complete. (See additional CE information for details.)

Check out the Early-Bird CE Special Rate!!!

We will be convening for the CE sessions at the **Courtyard Marriott Nashville Downtown**, located in the heart of the city's historic/entertainment district. This downtown hotel is within walking distance to the entertainment district of Broadway and 2nd Avenues, Ryman Auditorium and the Country Music Hall of Fame. The Courtyard not only offers a preferred location, but many new amenities and comforts.

Country music is the lifeblood of **NASHVILLE**, home of several landmarks where the greats of the genre have played over the years - and in some cases, continue to play. Musical attractions include the Grand Old Opry, the Ryman Auditorium and the Country Music Hall of Fame. Long before the music gained fame though, Tennessee was already putting together a long and storied history, some of which can be explored at the state Capitol building and the state museum. With CE sessions scheduled in the mornings, you will have the rest of the day...and the night...to enjoy everything that **NASHVILLE** has to offer you.

Continuing Education Information

Intended Audience

The target audience is pharmacists, regardless of their practice setting. Other health-care professionals who wish to expand their knowledge in the scheduled topics are welcome to register for the program as well.

Attendance and Completion

Each session is designed as a single continuing education unit and may not be broken because of continuity of the educational entity. You can attend the session(s) you want; however, credit will only be given for the session(s) that you attend and complete. The entire session must be attended to receive credit. Additionally, participants must sign-in and complete each attended session.

Records and Certificates

For each session completed, a Statement of Credit will be mailed to each participant. Also, a permanent record will be filed at the Continuing Education office. After the end of the calendar year, an Annual Statement of Credit will be mailed to each participant.

Continuing Education Contact Hours (Credit)

Each session has been approved by the Oklahoma State Board of Pharmacy for the specified hours of Continuing Education contact hours and is acceptable with other state boards of pharmacy requiring continuing pharmacy education by ACPE providers.

The Southwestern Pharmacy Alumni Foundation, Inc. is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
