2006 Southwestern Pharmacy Donors*

We are very proud of our students, alumni, and faculty and the tradition of excellence in pharmacy education at SWOSU College of Pharmacy. Southwestern Pharmacy’s reputation is attributed to the excellence of the students in the PharmD program, the high-quality and dedication of our faculty, and the successful and very loyal alumni who inspire others through their profession.

The launch of the College of Pharmacy’s first major campaign provides a chance to raise important support for our pharmacy academic priorities. Given the uncertainty that SWOSU currently faces with the state budget, we are especially excited about opportunities to raise support for academic enrichment and build critical endowments for students and faculty. Thanks in support from alumni and friends, we have made great strides during the campaign. It is the continuum of giving, one generation to the next, that makes a difference between a good pharmacy program and an outstanding pharmacy program as SWOSO. We invite you to join in this vital endeavor.

Additionally, we invite you to join the excitement that is the Southwestern College of Pharmacy. Visit our campus or our website (www.southwesternpharmacy.com). You are always welcome at your SWOSU College of Pharmacy, where we remain dedicated to the tradition of excellence in pharmacy education.
